

Terms Of Sale When Ordering from Clear-pak Australia Website

These terms and conditions apply to purchases made on this web site from Clear-pak Australia.

1. ORDERS & DELIVERY

All orders placed through this web site are subject to confirmation and acceptance by Clear-pak Australia and are made in accordance with and subject to Clear-pak Australia's standard [Terms & Conditions](#).

2. RETURNS & REFUNDS

Clear-pak Australia has its own returns policy set out in sections 14 and 20 of its [Terms & Conditions](#). Please refer to the [Terms & Conditions](#) if you need to contact us about a return or a refund.

3. PRICES & PAYMENT

For each online order, you must pay: the applicable price for the relevant goods confirmed by Clear-pak Australia and the delivery and handling fee specified on the web site at that time. Your order and credit card details are safe and secure. Clear-pak Australia uses Westpac's Web Advantage payment service gateway to provide a secure environment for the authorisation of credit card transactions over the Internet. Confidential information including client credit card details are encrypted the moment they are transmitted from the client's browser to the banking network using 128 bit (or higher) SSL encryption technology. The bank will send confirmation information via the same encryption technology back to the client's browser. These secure processes provide clients with peace of mind when purchasing online. At this stage we can only accept payments using the methods stated in the [Orders & Payment](#) section of this web site. Payment must be cleared before the goods are despatched. Prices and range on this web site may vary from time to time.
